Dear Pastor Tolbert:

Our primary goal at the BBFI Mission Office is to help churches and missionaries change lives for the sake of the Gospel of Jesus Christ. This is why we exist. We are the bridge between those who **GIVE** and those who **GO**. We have a wonderful Fellowship of pastors and churches with a strong desire to see people all over the world go from darkness to light. We also have a force of missionaries who strive to see men, women and children come to Jesus – the One who can change their lives for eternity!

The following statistics represent the number of lives changed over the last three years (2009–2011) through the direct efforts of our missionaries:

Professions of Faith	355,470
Baptisms	66,103
Leaders in training	10,616
New B/Studies/missions	6,483
New Churches started	1,774

Praise the Lord! These numbers only reflect what our missionaries have done and do not include the accomplishments of the national leaders and pastors trained by our missionaries to observe all God has commanded.

It is a joy to serve you and to be a part of fulfilling the command of our Lord and Savior to “Go into all the world”. As you know, we do not charge the missionaries for our services and your support is vital in enabling us to do our best. **Thank you for your financial and prayer support for the Mission Office** – even during these difficult economic times.

During the last three years, our financial support had suffered somewhat. Recent efforts to raise awareness of this situation have resulted in many churches increasing their support or becoming new supporters of the Mission Office. We are thankful to God for His care for us through you. We do not take for granted the importance of your gift.

May the Lord bless you and give you a fruitful ministry because of your faithfulness and generosity.

With you in the Harvest,

Jon Konnerup
