Dear Pastor and Friends,

We have had a fairly mild winter with spring arriving early. This has certainly made it easier to travel.

We have had several Mission Conferences and other meetings since the first of the year. We have been in Missouri, Iowa and Oklahoma.

I was asked if being in meetings all the time makes us tired? The answer was "No, we just stay tired all the time".

Because of your faithful support we continue to send out Bibles. Some have gone to Togo, South Sudan, and Ghana, all in Africa, also to Mexico, Bulgaria and Hungary.

One of our missionaries said that 90% of the people in his country can not read, so why give them a Bible. He asked if we could put John and Romans on a CD, as most folks there do have CD Players. I have been working to that end to see if we can get that done. Some countries have a 90% plus illiteracy rate, but they do not have CD Players so that creates an added problem.

I will be 84 years old this month. I am reminded of Psalm 90:10 which says, "The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off, and we fly away." Time is so short and there is no place to let up.

Please pray with us that our strength can continue so we can keep this much needed ministry moving forward.

Thank you so much for your faithful support, both with finances and prayers.

*Thank you so much  
for your support.*

In His Service,

*James L Carroll*
