Praises:

We are so happy to announce the birth of Quinten Daniel! He was born on February 21, at 7:54am weighing 6 lbs 9 oz and measuring 20 inches long. Yvette is recuperating from her C-section much slower this time due to her previous surgeries and scarring, but Quinten is doing very well and growing fast. We are all trying to adjust to the new sleeping and feeding schedule; it is amazing how such a tiny person can change the normal routine. We know many of you were praying for Yvette and Quinten and we thank you so much for your prayers!

Along with the blessing of the birth of our son, I also had the privilege and honor of being ordained. On February 26, I was ordained at our sending church, West Division St. Baptist Church. I had the privilege of having my father-in-law, Rev. Eddie Urey, along with Rev. Terry Allcorn, Rev. Arnie Smith and Rev. Junior Simmerman be part of the ordination committee.

Prayer Requests:

We are headed out West and up North toward the end of April. We will be traveling for over two months in a row and traveling with a newborn so we covet your prayers for God's guidance, protection and provision while we are on the road. We pray that by the end of the two months we can give our churches a more definite date of our departure to the field. Please continue to pray that the churches we report to will be eager to partner with us in our ministry.

Thank you all so much for your prayers during this exciting time in our lives, and for being faithful in your sacrificial giving.

All for His Glory
