Pastor Gerry Griffith, Sr.
Director

March 22, 2012

Dear Brethern,

Praise the Lord for His goodness! By His grace, we are fighting a good fight of faith. The Lord is helping us to reach out to more people. Also, we have good news about our church planting ministry.

We announced in our last prayer letter that our Bro. Mark Sadler would be planting a church in the Chicago area. He is still in need of support on a monthly basis and he needs money to move his family. Also, the housing in Chicago is very expensive, so please pray for this need. Our Campmeeting will be April 11-15. On the 13th, we will be hosting a preachers fellowship. On that night, we will be raising funds for the Sadlers. There will be other men there who are church-planting in black America like Bro. Mike Smith. He will be presenting his ministry also. We are all gearing up to help Bro. Sadler once he gets to Chicago. We will be bringing a group of people there to help him get his new ministry started.

There are a lot of hurting people in our church neighborhood. The young man next door to our church rolled over his baby in his sleep. Needless to say, he needs a healing from heaven. Also, a young woman, who had four children, was abusing them by burning them. The state took her children away. Yet, we all know that there is forgiveness with the Lord, and all of these sinners need to be reached, even the worst of kind.

Our family is doing fine. Our 6th and 7th children, Gerry II and Grace, will be graduating in May. Please pray for them as they prepare for their future.

Looking for Jesus,

Gerry Griffith, Sr.
