

Dear Pastor and Church Family,

I have recently returned to Guatemala after being in the States for a short 2-month furlough. It was a very blessed time, and I praise the Lord for the safety which He granted. The Lord has been and continues to be generous to me through His children, and I am truly thankful!

It was such a blessing to:

- Give testimony of God's goodness in 10 supporting churches
- Be influential in the salvation decision of a 6 yr old girl
- Receive encouragement at the BBFI National meeting at Hallmark Baptist and visit with missionary friends and 20+ pastors of supporting churches
- Spend a week in Mission Conference at Central Baptist in Sulphur Springs and speak to the students in their Christian school
- Personally thank the kids of the Patch the Pirate Club at my home church for their ongoing prayers
- Enjoy precious time with my family and friends

The last Sunday in April was a special occasion having nearly 200 people from both churches come together for a special baptism service. We worshipped the Lord through singing, hearing the preaching of the Word and giving witness to the 13 believers who were baptized! Praise the Lord for His work in the hearts and lives of the Guatemalan people!

Thank you for your prayers while I was reporting in the States. Please continue to pray that God would give direction in my ministry, and that His name would be great through the ministry of Team Guatemala.

### **PRAISE THE LORD...**

...for the \$3,500 that was given over the course of the past two months to go towards the purchase loan of the church property in Quetzal. The loan is now just under \$3,000!!! Thank you!
