April 2012

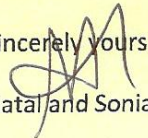

Dear Pastor and church,

Thank you very much for your faithful prayers and monthly support. We thank God for being so generous to us. All 18 people were able to complete the course with the Bible Study Groups. The last two weeks they are working on their own. So right now we have 13 Bible Study Groups and we hope that by July, two Bible Study Groups will multiply. We are working hard in 2012 to achieve our goals. It is real joy to see them working on their own. The groups are meeting from Monday to Friday. All together we may have 180 to 200 people studying the Bible during the week. We praise the Lord because before we had only 20 people meeting together for service on Wednesday.

On February 18, 19, 20 and 21 we had our Youth Camp. We had 130 young people for Camp. Pr. Mike Donald from Pathway Baptist Church, Calvety City, KY., was the speaker. He was a tremendous blessing. God used him in a mighty way. God just moved that place and many got saved and there were many other decisions. Some of those young people are coming regularly to our services and we praise God. Some of them are talking very seriousls about serving the Lord. Some of them are engaged in several areas of the church.

Please pray for us ,as we continually train new leaders, we have two buildings under construction. We need at least \$13,500.00 dollars to finish the work. It is our goal to have 4 Bible Study Groups multiplying in 2012. Pray for the financial support of our ministry. Due to the down economy, we have lost monthly support from nine churches and three others reduced their financial support. Thank you very much for your faithfulness.

Sincerely yours in Christ,

  
Natal and Sonia Losnach
