Dear Pastor, church, and friends,

It has been good to have been in the states for a short time, for medical purposes for Mary. We have been able to see friends, our children and grandchildren while here.

The churches are doing well in New Zealand with visitors and souls being saved. We are so happy to return the last part of May to our church families and the works that God has laid on our hearts.

News from Mt. Zion Baptist Church, Pastor Adrian:

1. Several church members are praying for permanent residency.
2. The church is supporting 7 missionaries and had success with the first fund raising activity for their missionaries.
3. This church is self-supporting and are working toward having their own church building and school for the children, many are home schooling at present.
4. Pastor Adrian has soul winning classes and church members are asking prayer that God will give them wisdom at being soul winners.

News from Family Christian Baptist Church, Pastor Mike:

1. The youth ministry is growing and attended their first bible camp.
2. Pastor Mike has started special training classes for church workers and also young preachers and teachers.
3. A special prayer request: Jason Flores (he's not even 40 yet) recovering from a heart attack with a 100% blockage.

You are always on our hearts with our love and prayers for you all.
