

The Orricks

Winning the Welsh for Christ

April 2012,

Spring has sprung here in Wales. The daffodils are in full bloom and the sun was actually out every day for an entire week! It is not too often that we see that much sunshine so consistently here in “wet and windy” Wales ☺

Family Focus: The kids have had a pretty good month as far as their health is concerned. Bella did give us a scare one evening when one of her fingers was severely smashed in the bathroom door. It is slowly but steadily healing and she has enjoyed the attention that the wound has brought. Both Briton and Bella are doing well in school. We had a parent/teacher night this past month and both received very good reports.

Missy's Mom: Thank you for your faithful prayers for Missy's mom. She is making progress. She still does not have the use of her right arm or right leg. Missy has been able to talk with her over the phone on a regular basis. Please continue to pray for her therapy and that she would regain the use of her arm and leg.

Ministry Focus: Mother's Day comes earlier here in Wales and this year Cornwall Street Baptist Church hosted the Mother – Daughter Tea. The attendance was good and Missy was blessed with the opportunity of being one of the speakers. Since it was a Mother – Daughter Tea, Isabella was able to go with her and Missy also adopted one of the teen girls, Vicky, from the church to go as well (pictured). Another blessing that took place during the month of March was the AWANA'S program celebrated its one year birthday (pictured)! The kids were excited to eat some cake and ice cream. At the end of the month, a team of eight from the church went over to the new location of the Baptist Bible College UK and we were able to help with some of the painting that needed done. It was so exciting to see the property that God provided.

Prayer Needs: In April, the church will be having a Good Friday Service as well as Easter Sunday Services. Please pray that the flyers that we will be helping pass out will generate some first time visitors and that through these services, more people would be saved. Please also pray for a lady named Sobhia that just started coming to church. She is Muslim and is seeking the truth.

Serving Our Saviour Together,

Richie, Missy, Briton and Isabella
