February 7, 2012

Yesterday, we arrived in Greenwood, Indiana to help Craig Miller on South Pointe Baptist Church in Whiteland, Indiana. The church bought this property about 3 years ago. There was a church building and an old house on the property. The church has grown to about 60 people in the last 3 years and is in need of space for Sunday school classes. They wanted to remodel the house but because of the age of the house and structural damage that had happened over the years to the house, the decision was made to tear down the old house and put up a brand new one. Craig is currently putting the siding on the house and Jason Heath will be here this week to start the electrical. We are excited about being here to do our small part to help them get the building completed and get moved in. It is exciting to hear how God is working already on this project. We praise God for the faithfulness of His people.

This is our first project without our RV. We are staying in an extended stay apartment which is about 5 miles from the church property. We know that if the Lord wants us to continue working with the BBF Builders that He will supply our needs and a place to stay so we can work.

We appreciate so much all the prayers and support. Many of you have been faithful to support us for 12 years and we thank you so much for that. God has certainly supplied our needs.

PRAISE AND PRAYER REQUEST: We want to thank each of you for your prayers for Deb's back. She is doing much better and able to travel without too much pain. She is not on any pain medication. She just takes an advil when traveling to help with the nerve pain that she does have.

We just ask that you pray that God will supply housing accommodations for us on future projects. He is in control and if it is His will for us to continue, we are sure there will be a place for us.

NOTE: PLEASE NOTE THAT OUR MAILING ADDRESS HAS CHANGED TO THE ABOVE.
