# Sagmount Baptist Camp

May 17, 2010

Dear Bro. Tolbert:

“A picture is worth a thousand words!” I personally do not believe a thousand words would begin to describe the joy in my heart. As I stood on the property of Sagmount Baptist Camp watching the crane lift the 20T heating and air conditioning unit, never in my wildest dreams would I have thought this day would come. Yes, O ye of little faith.

When the Property Committee began two years ago to prepare for the 50<sup>th</sup> Anniversary of Sagmount Baptist Camp 1960-2010, and you told me that Sagmount Baptist Camp would have air-conditioning to take care of approximately 100 females and 100 males I would have said, “Sure.”

Praise God! “Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.” Ephesians 3:20. Yes, God still uses people, he used Dan Knight of Knight Heating & Air to donate these units, and God has used Paul Sharon to make the ductwork happen and Phil Owen to make the electric come together. God has also used you in a financial way to help defer the cost of this project.

Even though we have had to use over \$20,000 of the camps line of credit, this is still a miracle of God. I personally believe God will provide the financial resources this summer camping season to continue to improve the property of Sagmount Baptist Camp. On behalf of the Property Committee of Sagmount Baptist Camp “thank you” for your generous gift and future gifts and prayer support for the camp.

Yours in Christ,

Promised \$ 500.00 Received \$ 500.00
