Missionary Spotlight

Toto & Sunny Paclibar—Missionaries to S Korea

In the past months, we have had several visitors attend our church services and praise the Lord some of them have been coming back. On March 31st, Easter Sunday, we celebrated the resurrection of Jesus Christ with several visitors attending, and everyone enjoyed the goodie bags that we had prepared to take home. We also had two young boys follow in the believers' baptism. Their family moved to Korea from the U.S. with the parents' sincere heart to raise their three boys in a godly way. They have been very faithful and supportive of our church and church program and have become members. After the PM service, we observed the Lord's Supper and the two boys who were baptized got to participate for the first time with excitement. Thank you for your tireless prayers and financial support for our family. Without you, we could not be here doing what God has called us to do.

As a missionary in Africa in the later part of the 19th century, Andrew Murray knew the hardships of full surrender. He stated, "God is ready to assume full responsibility for the life wholly yielded to Him."

When we surrender fully to Christ, He promises to care for us and all of our needs. Matthew 6:33 says, "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." God does not promise us a life of ease. In fact, surrendering to Christ may require us to walk through hardships, but His power sustains us. We may face abandonment by our fellow man, but God's presence abides forever. When you surrender to Him, He promises something this world can never fulfill: the abiding presence of an omniscient God!
