

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Heather Swearingin—Missionary in Mexico

God has blessed so incredibly the last few months. During Vacation Bible School, there were 47 decisions made to accept Christ. The teens did such an amazing job working with the kids and inviting their friends to come and join in with them. Most coming directly from work in order to work some more at VBS during the hottest days of summer, serving the Lord with joy and gladness, sacrificing their own comfort and free time weeks before, during, and then after, knowing that their work for our Lord is never in vain. The Lord allowed us to host Youth camp again this year. After months of planning and not knowing if we would be able to finance it all until the last minute, due to the rise in youth camp rent, food, supplies in general etc. But, the Lord provided. And we had almost 200 in attendance, with 9 saved during the week, and many decisions to follow Christ more closely and others to serve Him full time.

This is what missions is all about. Leaving the comforts of our home to reach the lost world with the truth of salvation. Jesus said, "...the Son of man is come to seek and to save that which was lost." He came to save those that were without hope. As a recipient of that great hope, I want others to know the saving grace of God through Jesus Christ.

For over thirty years, I have personally committed to and given to missions in my local church. Giving to missions is an act of faith that goes beyond my tithe. It is this faith that God blesses (Hebrews 11:6). My burden is that every member of Hillside would know the riches of God's blessings by investing in missions.

Pastor John M. Bingham
