Missionary Spotlight

Zach & Maria Viola—Missionaries in Panama

At the end of February, we moved to the city of Santiago. Once we were fully settled into our house, we started the hunt to try to find a place to rent for the church plant. We searched all throughout the downtown and city and we quickly learned that a location big enough for 50 people and a children's room was not going to be easy to find for a good price. But, Praise the Lord, we were able to find a space of about 1200 square feet on the second floor of a plaza right in the heart of downtown for only \$600 a month. At the end of April we came to terms on the contract with the owner and signed it, and received the keys. Glory be to God! Pray with us as we have a lot of work ahead to get ready for the first service, including, building needs, equipment, outreach materials, and Bibles. Pray that the Lord will open the doors as we reach out into the community with the Gospel!

For many families, the last two weeks have been filled with anticipation and excitement as they watch a child or grandchild cross a significant milestone in their lives: graduation. For some this is a graduation from earthly graduations. They won't seek any other diplomas or degrees, they will be satisfied with the place they find themselves.

Through the celebration, we must remember that each of us await the most important graduation. It is the graduation from earth to heaven. In order to be prepared for this graduation, you must first place your faith in Christ as your Saviour. This will guarantee you a reservation in heaven. Then, God calls us to live this life for Him. Will you do so today?

Pastor John M. Brigh
