## Paul & Chelli Sudbrock—Missionaries in Germany

When we arrived in Wittenberg, so many years ago, we were told repeatedly that it was a hard place. Their assessment held true. That said, it is not impossible, just hard. Soul winning is our constant thrust. There are times when your witness feels ineffective. One such time was in mid-February. I was out and about. The evangelistic drought had started to get to me, and I began complaining to God about it. Why are people not getting saved? I am faithfully witnessing. When I arrived home, I met one of our neighbors. I had witnessed to him before, in passing. But that day, God just opened the doors. As I finished witnessing, I asked if I could pray with him. In such cases, I always lead in the sinners prayer. As I was praying, he began repeating after me. At first, I was surprised, then more and more excited. After closing, I stated, "if you meant that prayer in your heart, I will call you brother". He answered, "Well then, brother". Nothing compares to soul winning!

The time we spend investing in our family will never be regretted. Isaiah 54:13 says, “And all thy children shall be taught of the Lord; and great shall be the peace of thy children.”

Each time we bring our children to church, send them to church camp, or simply create a habit of Bible reading at the family altar, we are allowing our children to be taught of the Lord. The result of this kind of investment brings peace into the hearts and lives of our children. May we choose to invest in the lives of our family by helping them to know the Love of God by being taught of the Lord.

This year's theme, "Welcome to ViPIEx Arena," addresses what happens when Prior Commitment faces off against Current Emotion. All of us have times when we make a commitment fully intending to keep it, yet when the moment gets here, the current emotion wins over the prior commitment. The cost is \$90 plus accommodations. Please pick up an information sheet in the foyer for more information.
